### Founder & Promoter, Director's Message

*Greetings from Management and Board of Directors,  
CCL International Ltd...*

We are gratified with your continuing trust in our journey from Chirawa Cement's time in early 90's.

We have successfully brought global technologies for infrastructure and proven these across most difficult tropical terrains of North Eastern India Since 2012.

Our enhanced goals are fully mapped with vision of country leadership, Business Strategy Management, Engineering, Execution and operation services are being augmented continuously.

*"Sustainable Global Infra Technologies to bring value and valuation for us humans..."*

Full of Confidence, our "InfraTechnologies" division is turning in full EPC Company in Transportation businesses specially Highways, Tunneling, Electrical Engineering and related Mechanical works using latest global products and processes.

Team CCL is humbled by your faith in diversification in more areas under "Value and Valuation" Vision!

Expecting your unstinted support and relationship as always!

ANIL KUMAR | Founder & Promoter Director.
